MAYFIELD PRIMARY SCHOOL ISSUE 28 MONDAY 27TH APRIL 2026

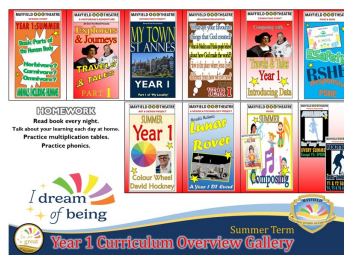

REMINDER: SCHOOL IS CLOSED ON MONDAY 4TH MAY FOR MAY DAY BANK HOLIDAY

Don't Miss A Minute Attendance: Year

CURRICULUM INFORMATION MATS & POSTERS

As we have now entered Summer Term, you can download your child's latest Curriculum Mat/Poster from the website. These pages also hold lots more background about the term ahead, as do our subject pages. We encourage you to take a look at these in the coming days and weeks to keep up with the latest themes and projects in your child's class.

CLUBS UPDATE

A whole range of new clubs commenced last week and it has seen our largest number of after school options ever. Remember all of our after school clubs, running from 3.15-4.15, are absolutely free and possible due to the volunteering time and preparation of our staff. I am proud we can offer such a wide range of free provision that explores and extends all areas of the curriculum. Our new football programme saw over 100 children sign up - with over a quarter of those being girls who took part in the first Mayfield Lionesses training session.

New mini leagues in Golf Foundation and Track & Field started last week with over 30 children involved in practice and target setting during week one.

Our technology, design and art offer are heavily subscribed whilst our performing arts clubs are more popular than ever. This is great news and our clubs are a feature of our offer which we continue to be proud of. Remember to ensure that your child attends their club each week to get the most from the offer.
