YEAR 3 & YEAR 4 EVENT: MONDAY 15TH JUNE @ 1.30PM

YEAR 5 & YEAR 6 EVENT: MONDAY 6TH JULY @ 1.30PM

#### SPORTS AFTERNOON UPDATES

Apologies for the postponement of the Year 5/6 Sports Afternoon this week. We have rescheduled for Monday 6th July at 1.30pm. The constant rain on Sunday evening left the field in a terrible state and despite improved weather during the day it was clear that the running track would not be in safe condition to undertake the sprinting events. The school fields are a constant thorn in our sides in that we have so much we like to do on our grass areas but the quality of the fields are just not fit for regular sporting activities. The don't hold water well, become waterlogged and muddy at the firm sign of persistent rain and then in warm weather the grass quickly dies and leaves a dust bowl with patchy weeds behind. It is a nightmare to manage and prevents a lot of what we would love to achieve. With the above in mind, we have been working this week on plans to move the remainder of our Sports Afternoons to our football stadium which currently have the grass in best condition. Although the stadium has to be carefully maintained we feel this is the best setting to avoid disruption caused by the condition of the field for the sports events to come. Staff will direct you to the viewing areas for the event in our stadium on your specific event afternoons. The top playground gate will be open for the event as entrance and exit.

#### OPTIONAL PARENT REPORT MEETINGS

Letters have gone out today regarding booking appointments for the end of year optional Parent Report Meetings on Monday 6th July. These end of year opportunities were created as a chance for any families to receive and discuss their child's summary report in person rather than just receiving the report on the next day. These are optional meetings only and there is no obligation to attend them if you are happy to receive the report on Tuesday without any additional narrative. When making a choice about whether to attend please consider whether this is something you feel you would like to do. The end of year reports are released to all families in any case on Tuesday 7th July.

Don't Miss A Minute  
Attendance: Year

1	EYFS	96.3%
2	1AR	96.8%
3	2NM	95.9%
