

LO: I can plan a party  
to a budget.

# You are hired!

You have been selected to design the Birthday Party for WPS 150 year celebration! Mrs McDonald is giving you a budget of £413.21. You have been given free reign over colour schemes, food, drinks, venue and decorations but you **MUST NOT** go a penny over. You can however, choose not to use all of the money. You can add anything extra to the party that you wish however you must source this from the internet yourself and add it into your costings.

You need to send out invitations but before you can, you need to decide the key details of your party.

Hand crafted invitations 10 for £6.95. Colours of your choice.

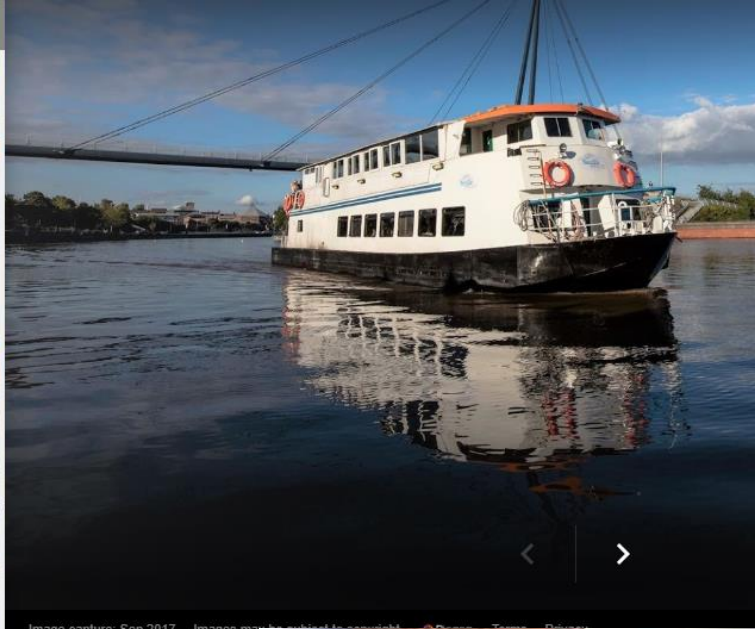

High street standard invitations x 12 £1.79

Printed invitations 10 for £4.55. Colours of your choice.

Boat and cruise hire £100 for 2 hours.

Garden or house – free.

Local restaurant £75 for 3 hours room hired only.

Local village hall or community centre £50 4 hours.

# Words of wisdom

- Remember your budget.
- Think about details. For example, if you hire a boat how many tables will you have? How many table cloths do you need? Will you have table cloths on every table?
- Have you got enough food for everyone? Everyone needs a plate.

Happy party planning!
