#### Year 3 Love for Bench Ball

The children have focussed on teamwork this half term as well as developing their throwing and catching skills, using a range of passes and intercepting. They have all impressed Mrs Pemberton with their teamwork as they ensured that every member of their team was fully involved, supported and empowered.

2 All children require a water bottle at school especially on their PE days. This must be filled with water only. We have had an increasing amount of juice and when spilled leaves a sticky mess in the classroom. Water bottles can be refilled at school and children are encouraged to drink as much as possible. Thank you for your support.

## ***New school governor***

*Hello everyone! My name is Claire Long-Melton, and I am now part of the school's governing body taking on the role of Staff Governor.*

*I feel incredibly lucky to have been part of our school community for the past 17 years, working in a wide range of roles—from Teaching Assistant to Acting SENDCO. These experiences have given me an understanding of our pupils, families, staff and I have a real appreciation for the values that make our school such a special place.*

*I am currently the Year 6 class teacher, as well as the school's Behaviour Lead, KS2 English Lead, and Science Lead. I am passionate about helping our children feel confident, curious, and empowered in their learning. As Staff Governor, my aim is to represent the voices of my colleagues, celebrate the fantastic work happening across the school, and support our continued aim to provide the very best education and experiences for all of our children.*

Jolly Hockey sticks!

A mix of KS2 children represented us at WHS in a local Hockey tournament. Mrs Lax commented on their superb behaviour, effort and teamwork. Despite their overall score the children had fun and showed a fantastic attitude. Well done guys.

# KS2 STEAM Fair

Friday 13th March 2025

BRITISH  
SCIENCE  
WEEK

Take part in the 2026 Wales Primary School STEAM Fair.

This year's theme:  
Curiosity—What's your question?

Think of a question, then carry out an investigation or experiment. What did you discover—what is your conclusion?

Happy Valentines to all our families.

Thank you to everyone who has bought valentines buns today adding to our funds for the Children's Hospice Charity.

And we hope you all have a great half term holiday.

## FUN WITH FLIGHT

### Half Term Activities:

- ✈ **Explore the World of Aviation:** Step inside our on-site airport zone and check out a real Boeing 737 fuselage — your flight starts here!
- ✈ **Engineer & Launch Your Own Aircraft:** Build and fly your own aeroplane, then go full throttle by launching a rocket skyward!
- ✈ **Take to the Skies:** Ever flown a drone? Now's your moment! Test your skills with aerial control and precision.
- ✈ **Parachute Challenge:** Craft a mini parachute and put it to the test — will it glide like a pro or tumble like a daredevil?
