# HAPPY WORLD BOOK DAY

*“The school is our children; our children make the school”*

FS2 visited St John’s church. They looked for and learnt about the symbols of Christianity in this place of worship. The class learnt about the importance of the church to the community and celebrations that take place there.

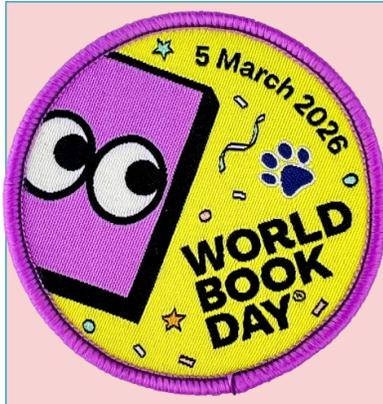

Year 4 had a fantastic Rock Star day! During the day, the children developed their rapid recall of times tables using Times Table Rock Stars, they battled each other in maths games, a real rock star read a story to them and they had plenty of fun rocking around the classroom when listening to Rock Dog!

The Eco Club have made a great start in sharing their ideas of how to save energy in school. They have also been busy planting herb seeds to develop our Calm Corner of the playground. Eco warriors of the future!

Look out for your child's Book Token in their school bag .

### ***New school governor***

Hi, I'm Megan and have recently joined the governing body as a parent governor. I have a daughter who is new to Wales this year having started in FS2 and a younger son who will join in a couple of years.

Outside of being their Mum, I am a teacher at a school in Sheffield. My role there is to work as part of the senior leadership team as SEND Co and Deputy Safeguarding Lead. I currently teach Year 4, although have also taught in years 1, 2 and 3 throughout my career.

I am looking forward to working alongside the rest of the governing body and the staff at Wales to support the continuation of the brilliant work that is done here.

Year 1 took part in a local Mat ball tournament at Wales High School this week. They worked extremely hard all morning. They showed off their throwing and catching skills, teamwork and resilience. Well done Wales!
