Following the tragic events over the bank holiday weekend we were very grateful to Simon Haycock from Sam's Army Mission 1 Life who came into school last week to talk to our Year 5 and 6 children. Simon works up and down the country speaking to children to raise awareness of the dangers of swimming in open water.

## Staffing Update

We were very pleased to welcome back Miss Davies last week returning from her maternity leave. Also, Miss Emerton has spoken to her class and parents to inform them that she has taken up a fantastic opportunity in September to teach in Dubai. This means we will be saying farewell to Miss Emerton at the end of the summer. This is sad news for the Wales Primary Community and we wish her well for the future.

## Polite reminder

Please ensure your child does not climb and walk along any walls, railings and on top of sleepers in the school grounds before and after the school day when they are in your care.

Children are also reminded not to run around the P.E shed, behind the School Office building and on the soil beside the FS2 building for their own safety.

Thank you for your continued support with this.
