ECO WARRIORS

Eco Club have been foraging in the woods before the Autumn light fades at the end of the day. They have been a great help in clearing pathways, creating a base camp and finding signs of Autumn to share back in the classroom.

They have also planted some spring bulbs in pots around school.

TOM PALMER

This week Year 6 went to Wales High School to see children's novelist Tom Palmer. They were totally engaged by Tom's down to earth personality and how he shared his personal experiences of where he comes from and how got started as an author. Year six pupils had some great questions prepared for Tom .

Remembrance Service

The KS2 children presented a thoughtful service to remember the veterans who gave their lives for our country. Much work was shown, read out and sang to show the children's learning and understanding of Remembrance. Well done to the Year six pupils who led the service and a thank you to St Johns church for the venue.

It's beginning to look a lot like Christmas!

Diwali Celebrations

FS2 have been busy creating Rangoli patterns using mosaic paper tiles and paper plates. They carefully applied the tiles to follow a repeating pattern. This helps children develop their fine motor control, spatial awareness, sequencing and creativity.
