Miss Monaghan has been a teacher for 5 years but this is her first year at Pinehurst. Miss Monaghan leads Design and Technology at our school. Teaching and Learning

We've got lots of exciting activities and topics planned this year for example: we will be using computers for programming an interactive game! We will be learning about the Ancient Mayans and WW2 in History. We will be studying place value in our Maths lessons and learning the four calculations. We will be reading a variety of genres in English such as The Secret Garden and The Highwayman. Hopefully, we will be able to experience some fieldwork around our local area and The Maritime Museum.

We look forward to working with your children and developing their teaching and learning.

Please also see our half-termly curriculum newsletters for helpful information about our current topics in school.
