Dear Parents and Carers

Re: Moving Forward Together – Supporting Our School Community

I am writing to you today to share some important updates and to reaffirm our commitment to working together in the best interests of all the children in our Pinehurst family.

The decision to apply for an academy order has not been taken lightly. It has been made with the sole purpose of securing the long-term stability and success of our school, and ensuring the best possible future for our children. As always, our decisions are rooted in what is right for the pupils in our care.

We recognise that change can bring questions and concerns, and we are engaging in open and respectful dialogue with our staff to understand and address these. We are also actively working with unions and wider stakeholders to find a way forward that is positive, collaborative, and focused on minimising disruption.

It is disappointing that we had to delay the return to school. However, following the conduct that was witnessed by some on the 17th July 2025, the Governing Body took this decision to ensure a calm and positive return for all members of our community. Our priority is, and will always be, to maintain a safe, respectful, and supportive environment for every child and member of staff.

We are committed to listening, to understanding concerns, and to seeking answers wherever possible. This is a time when support, from all corners of our community, is key. We know that by working together—with kindness, patience, and shared purpose—we can continue to provide the nurturing, high-quality education that our children deserve.

Thank you for your continued support and commitment to our school. Together, we will navigate this time of change with the care, professionalism, and unity that define the Pinehurst family.

If you have any questions, please do not hesitate to contact me directly to discuss these.

Kind regards

Mrs Katy Glynn
