A weekly newsletter to share the news of Pinehurst Primary School

## Teaching and Learning

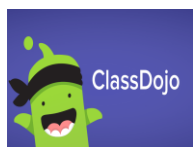

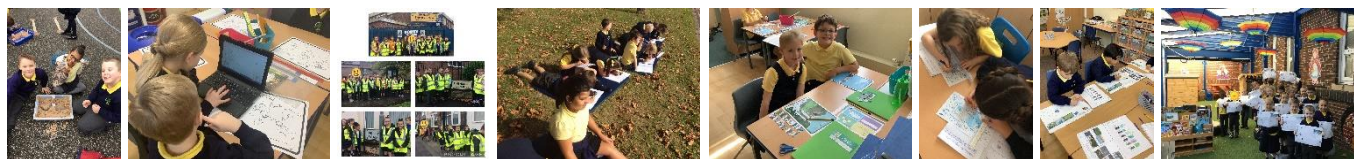

Geography is the study of places and the relationships between people and their environments. Geographers explore both the physical properties of Earth's surface and the human societies spread across it. Geography seeks to understand where things are found, why they are there, and how they develop and change over time.

Our Geography curriculum intends to inspire in pupils a curiosity and fascination about the world and its people that will remain with them for the rest of their lives.

Pupils will develop their Locational Knowledge, Place Knowledge, Human and Physical Geography, and Geographical Skills and Fieldwork.

IT IS ESSENTIAL THAT WE ALL WORK TOGETHER AND FOLLOW THESE COVID19 REMINDERS

Please ensure that you distance from other adults and families at drop off and pick up.

One adult per child at drop off / pick up please.

Once you have dropped off or collected your child please leave as quickly as possible. We need to avoid congestion at the gates and on the playground. Your cooperation with this is much appreciated.

IMPORTANT

Face coverings are advised at pick up / drop off please.

No unnecessary items including large school bags or pencil cases in school at this time please. Please ensure that your child on brings a SMALL bag on book return and issue days.

Pinehurst PE Kit to be worn 1 allocated day per week.

Please bring a named water bottle to school each day.

Alternate lunches of hot and cold options, children may bring a packed lunch if this is their preference.

Due to ventilation requirements, if your child is cold in school they should wear extra layers. This may include a vest or additional layer under their polo shirt, or a school or navy fleece over their sweatshirt. We will consider scarves and fingerless gloves as the term progresses and update you.

If your child has a COVID symptom of a cough, high temperature (above 37.8 degrees) or a loss of taste or smell they must stay off school and get tested for COVID19.

Once the test results are in, school must be informed. If it is during school hours please call the office 0151 263 1300, if it is outside school hours please call or text 07858 739336.

IMPORTANT

Please ensure the school office has up to date contact numbers for you.

Whilst case rates remain high in our community regular testing is very important, thank you.

If your child or a family member tests positive for COVID19 please call and inform school.

MEALS

Information & Support

Please be reminded of the importance of registering with Liverpool City Council if you may be entitled to income based Free School Meals. Please talk to the school office if you are unsure how to apply or require assistance with this.

Please note all Infant children received Free School Meals (Reception – Year 2) this does not automatically place you on the Free School Meal FSM list, you MUST APPLY.

In recent times there has been provision for meals and fuel in school holidays so it is important that you apply if you may be eligible.

Please drive and park carefully and considerately at the start and end of the school day.

Key Stage 2 Snacks for Breaktime – these should be a healthy choice please, no crisps or chocolate, thank you.

Bug Busting

Please remember to check your child's hair regularly for head lice and treat them immediately should they be found. Thank you for your cooperation.
