Teaching and Learning

Last week, Pinehurst Primary School was filled with creativity, excitement and a real buzz as pupils took part in our whole-school Art Day. As part of our Art curriculum, every child had the opportunity to think and work as an artist, contributing to a collaborative piece of artwork based on a shared theme.

It was wonderful to see pupils of all ages engaging enthusiastically in the creative process, exploring ideas, expressing themselves and working together to produce something truly special. The day showcased not only our pupils' artistic talents but also the values that underpin our learning community.

Our artwork is now being finalised and will be displayed alongside work from other CAT schools in a special art exhibition taking place in July. This exciting opportunity highlights how our schools have worked together through care, collaboration and creativity to create a meaningful collective project.

We are incredibly proud of what our pupils have achieved and look forward to sharing photographs from the exhibition with you soon. We can't wait for families to see the amazing outcomes and celebrate the creativity of our young artists. #

Thank you to Miss Leary for coordinating the works and sharing with CAT.
