Teaching and Learning

What a fantastic first full week back we've had at Pinehurst Primary School!

Our pupils have returned with smiles, enthusiasm, and a real eagerness to learn. It has been wonderful to see everyone settling so confidently into their new classes, building positive relationships, and establishing excellent routines for the year ahead.

The excitement across the school has been infectious, with children already embracing the many opportunities to learn, grow, and succeed. We are incredibly proud of the positive start everyone has made and what a fantastic first impression it has been for Mr Lenton, who is super excited to be joining us.

This year, we're aiming for our best attendance yet. Our target is **97%**, and every day in school counts. Thank you to all our families for supporting excellent attendance—we know that being in school every day gives children the very best chance to thrive.

With so many opportunities to **Experience, Excel, and Enjoy**, we're excited about everything this year has in store. Thank you to our pupils, staff, and families for making such a positive start. Here's to a fantastic year together at Pinehurst Primary School!

Education,
by its very nature,
should help people
to develop
their best selves.

-Neil Noddinas

School attendance is IMPORTANT.
If you are well you should be in
school EVERY DAY.

A special welcome to our Early Years children who have joined the Pinehurst Family.

It has been wonderful to see them settle into school life this week. They have really enjoyed getting to know each other, finding their way around school and learning the routines of the different settings.

Well done to everyone in Oak, Ash, Little Acorns and Little Pine Cones.

IF ANY OF YOUR CONTACT DETAILS OR EMERGENCY NUMBERS HAVE CHANGED, PLEASE CONTACT THE OFFICE IMMEDIATELY. THANK YOU

MEET THE TEACHER!

Our Meet the Teacher Newsletters can be found on class pages on our website.

Please do not hesitate to speak to your child's class teacher at the end of the school day if you have any questions.

Supporting learning at home...

Please take some time to practise counting with your child. Reciting number bonds and times tables would be very helpful too. This will help and support them with their learning in school. Any problems with TTRS or Numbot logins please let us know.

Hello from Mr Lenton ...

Hello everyone. I am delighted to be joining Pinehurst whilst Mrs Glynn is on maternity leave. Having worked in a number of schools, as well as the local authority, and am really looking forward to bringing my experience to school. I am a parent myself, so I know just how important it is to know that your child is happy, safe, well cared for and receiving the very best education possible. My priority during my time here is simple: to do the very best I can for every child. I will be working closely with the team to ensure school continues to run smoothly and the children continue to enjoy everything that makes Pinehurst such a special place.

I am currently busy getting to know the children, staff and wider school community, and have already been made to feel so welcome - I can tell that this is going to be a fantastic year in a fantastic school. I want parents and carers to know that my door is always open so please come and say hello. From time to time, questions, worries or concerns will naturally arise. When they do, the best thing is to get in touch, come and have a chat, and we can work together to get things sorted.

I am really looking forward to getting to know you all over the coming weeks, working together to make this a happy and successful year for our children. I look forward to meeting over in the coming weeks.
