The Newsletter Spring Term Newsletter No.4 – 29th January 2026

Dear Parents/Carers,

Out of his great love for us, God created us to be happy with him forever. This Sunday in the Gospel we hear Jesus' sermon on the Mount known as the beatitudes. Jesus' words turned upside down the thoughts that most of his listeners had about true happiness, and maybe they challenge our own ideas too.

Update since the last newsletter:

- Congratulations to the Athletics Team who came 2nd and are through to the South Ribble finals on Tuesday. Great teamwork!
- Reception had a lovely walk to the Library on Wednesday and enjoyed a story session. Visiting your local library opens up countless opportunities to build your child's language, develop storytelling skills and promote the love of reading.

Coming up:

Reminder regarding Nut Allergies:

We do have several children in school who have an allergy to nuts so I do need to remind everyone that nuts are not to be brought to school by any child. Some children do have severe reactions which are potentially life threatening so we need to reduce the risk of anything happening. We are a nut -free school as it states in our prospectus:

St Oswald's is a Nut-Free School. Children who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction. If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

As a school we have a responsibility to keep all pupils, staff and visitors safe reducing any risk of harm. Pupils, staff and visitors must not bring products containing nuts in to school either in their lunch boxes or as a snack.

Our "Nut-Free Policy" means that the following items must not be brought into school:

- *Packs of nuts*
- *Peanut butter sandwiches*
- *Fruit and cereal bars that contain nuts*
- *Chocolate bars, cakes or sweets that contain nuts*
- *Sesame seed rolls (children allergic to nuts may also have a severe reaction to sesame)*

This list is not exhaustive, so please check the packaging of products closely. No items containing nuts are prepared in the school kitchen.

Please note that if your child attends Breakfast Club, NO nuts or nut related products are to be brought into the hall. Do not be offended if any food items are returned to you if we are in any doubt as to the ingredients. I cannot stress how important it is to ensure the safety of every child in school; nut allergy is potentially life threatening. Toast, juice and milk are provided at Breakfast Club every day.

Vision Screening:

NHS Lancashire Vision Screening Service will carry out vision checks on Monday 30th March for children in Reception. This is an **OPT-OUT** system. All children will have vision screening in school unless a reply slip is returned (letter sent home today, 29th January).

Save the date!
