

Reception Summer Term Newsletter 2026

Welcome back after the Spring break. We hope you had a lovely holiday and that the children are ready for a fun filled term ahead.

This half term we are learning about 'Growth and Change'. We will be planting beans and learning about looking after plants. We will learn about growing vegetables and the importance of eating a healthy diet.

In the next half term we will be focusing on 'The world around us!' where we will be exploring past and present and similarities and differences between countries around the world. Towards the end of the Summer term we will be looking at the Seaside, pirates and beginning to think about moving in to Year 1.

Please continue to share your child's reading book with them at least 3 times each week. This book is still changed on a Thursday.

As we move into Summer the weather will, hopefully, become warmer. As jumpers and cardigans are usually removed throughout the day we ask that you ensure your child's clothing is clearly named. We also ask that you apply sun cream in the morning before school, preferably the once a day variety. If your child needs to top up sun cream, please send some into school in a named bottle and it is useful if you show your child how to apply it. Thank you.

During this final term in Reception we will be working closely with Year 1 to ensure a smooth transition into the next Key Stage. The children will also have the opportunity to visit their new classroom and spend time with their new teacher later this term. We're really looking forward to another busy and exciting term with the children and as always, our door is always open if you need to talk to us.

Many thanks,

Mrs Vernon, Mrs Shepherd and Mrs Hargreaves
