1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our academy's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our academy will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow pupils to wear headscarves and/or other religious garments
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with the school office or contact the Family Engagement Officer who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

3. Limiting the cost of school uniform

Our academy has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education (DfE) on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers' ability to 'shop around' for a low price.

Uniform policy

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting items with distinctive characteristics to low-cost and/or long-lasting items, such as sweatshirts and polo shirts
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as wearing sports bibs (provided by school)
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
- Consulting with parents/carers and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

4. Expectations for school uniform

Uniform policy

If your child wears earrings (small studs only) for school, it is imperative that they are able to remove these themselves (without any help from the teacher) for PE. Sports specific earrings and plasters over earrings are not acceptable under any circumstances.

Foundation Stage children- due to the daily physical activities which children access we ask that NO earrings are worn for the school day.

The academy will not be held responsible for any loss of earrings, and therefore, we recommend that these are removed before school on PE days.

Hair long enough to go up in a bobble must be fastened up (boys and girls).

Please note with so many pupils in school, all wearing the same uniform it is difficult to reunite items with their owners if they are not clearly labeled. Please remember other items of clothing e.g., PE kits, Coats, bags, shoes.

Please note for Safeguarding reasons it is not advisable to put your child's name, especially surnames on bags where is visible to the public.

'New to You' uniform

We also have a 'new to you' rail that is available to parents at a small cost, which is put back into school funds for treats for the pupils' throughout the year. As your children grow out of their uniform we would ask that you donate them to the school to support our 'new to you' rail.

with the headteacher if the situation doesn't improve after a week. This is to allow parents time to ensure they have had time to purchase the correct uniform.

Ongoing breaches of our uniform policy will be dealt in line with the Responsible Learner Policy.

- When children do not meet the uniform expectations, parents will be contacted and made aware that their child is not complying with the uniform policy. Parents/carers will be asked to bring in the appropriate uniform or make up wipes for their child. There will be an expectation that nail polish, false nails and false lashes will be removed.
