

	Around the astronaut's helmet and down into space.		Down the jellyfish and dot its head.		Down the snake from head to tail.
	Down the bear's back, up and round its tummy.		Down the kite, up to the top corner and down to the bottom corner.		Down the tiger and across its neck.
	Curl around the cat.		Down the lollipop stick		Down and around the umbrella, and back to the ground.
	Round the duck's body, up to its head and down to its feet.		Down, up and over the mouse's ears		Down to the bottom of the volcano and back up to the top.
	Around the elephant's eye and curl down its trunk.		Down, up and over the net.		Down and up and down and up the waves.
	Down the flamingo to its foot and across its wings.		All around the octopus.		From the top, across the box to the bottom. From the top again across the box to the bottom.
	Round the goat's face and curl under its chin.		Down the penguin's back, up and around its head.		Down, around the yo-yo and curl round the string.
	Down, up and over the helicopter.		Round the queen's face, up to her crown, down her robe with a flick at the end.		Across the top of the zebra's head, zig-zag down its neck and along.
	Down the iguana and dot the leaf.		From the cloud to the ground and over the rainbow.
