

### Geography- Trade

How important are our trading links with other countries?

El Salvador- A Case Study

What is Fair Trade?

### History- Tyranny

Was Henry VIII really a Terrible Tudor?

What kind of ruler was Henry VIII? Was he a tyrant and what impact did he have on Britain today?

We will also take a brief look at how the role of the monarch changed after the Tudors up to the reign of Queen Victoria.

### Science

#### Forces

Pulley's, levers and gears

Gravity

Air resistance and water resistance.

#### Light

How does light travel?

How do we use light to see things?

Why do shadows have the same shape as the objects that make them?

**Year 5 Red Class**  
**Summer Term 2026**  
**Theme: I'm In Charge!**

### Art

#### Mixed Media- Land and City Scapes

Using our sketchbooks creatively to experiment with graphic pencils, watercolours, chalks and charcoals.

#### Collaborative Project

IF Opera Workshops- prop making and performing arts

### Maths

Number

Perimeter and Area

Statistics

Shape

Position and Direction

Measurement (volume)

### English

**Treason** (Story writing-prediction and characterisation).

**Information writing** (linked to El Salvador)

**A persuasive letter** (Letter writing linked to environmentally friendly farming)

**Stories and Poetry From Other Cultures**

### Music

**Silent Movie-** Music Technology

**Dimensions of Music-** Composing and songwriting.

### French

Clothes

Describe Yourself

Numbers to 50

### PE

Tri-Golf

Cricket/Rounders

OAA

Athletics

### DT

#### Moving Toys

Using a mechanical system (levers, pulley's, and gears) to make a moving toy.

### ICT

3D Modelling

Concept Maps

### PSHE

Valuing Difference

Growing and Changing.

### RE

How far would a Sikh go for their religion?

How do Christians show their commitment to God?
