

Physical Development

Mr Hudson will be teaching us ball skills every week. We will be galloping in our paddock!

We will continue to practise our counting & will start counting our jumps, steps & claps as well as objects. We will be looking at shapes in the environment.

Mathematical Development

Personal, Social and Emotional Development

We are learning how to work as a team. We will be playing lots of co-operative games and learning how to be a good friend.

Our Summer 1 Topic in Nursery is 'Mini-beasts'

We will continue to enjoy our weekly music lessons with Mrs. Seal, creating movement in response to music & using movement to express our feelings. We will use our creative area to develop our drawing and painting skills.

Expressive Arts and Design

Understanding the World

We will learn how to program our friendly robot 'Lionel'. We will water the plants and potatoes we have planted, & search for mini-beasts in our outdoor area.

We will be thinking carefully about the way stories are structured and will be reading 'The Very Hungry Caterpillar'. We are learning how to rhyme & will enjoy listening to different rhymes about mini-beasts.

Communication, Language and Literacy
