

What I already know.

The name, location and some of the characteristics of the four countries and capital cities of the UK

Some landmarks and basic human and physical features

Vocabulary

Prior	Required	Challenging
mountain	land that rises taller than a hill with steep slopes	
cliff	a very steep wall of rock	
coast	Where the land meets the sea	
landmark	something that is easy to see and can help someone find the way to a place near it	
human and physical features	Things that you can see all around you. Physical features like seas, mountains and rivers are natural. They would be here even if there were no people around. Human features like houses, roads and bridges are things that have been built by people	
climate	the long term pattern of weather in a particular area	
agriculture	farming	
county	one of a number of areas that some countries are divided into	
manufacture	make	
migrate	to travel to a new place or country, usually to find work and live there	

What I will know by the end of the topic.

Name and locate countries and cities of the UK

Name and locate geographical regions and their identifying human and physical characteristics

Name and identify topographical features (including hills, mountains, coasts and rivers)

Name and identify land-use patterns

Understand how some of these aspects have changed over time.
