Dear Parent/Carer,

Starling Class Parental Consent to View Film and Clips

Our current science fiction unit is based upon 'ET'. To enhance their learning of this topic, we are hoping to watch the film in its entirety at the end of our unit within the last week of Spring Term.

As this is a PG rated film we need your consent for your child to be able to view this film. Please complete the slip below

Yours sincerely,

Mrs Strong
Starling Class Teacher

Please may we remind you that a (PG) is Parental Guidance and if you are unsure of a film, it may be better to view it beforehand. We cannot accept responsibility for your child viewing something you personally may find unacceptable.
