

Clitheroe Brookside Primary School

16th October 2020

Dear Parents/Carers,

Class 6 Food Tasting

As part of our next Design and Technology topic in Y6, we will be completing a food tasting enrichment activity on Thursday 22nd October. We will be tasting and evaluating a variety of different cereal bars and snacks before designing and making our own later on in the topic.

We are asking for voluntary contributions of £1 to cover the cost of the food tasting activity and the subsequent ingredients for the children to make their own cereal bars. Please note if there are insufficient contributions for this enrichment activity it will not be able to go ahead.

Please be assured that the activity has been risk assessed and is fully in line with current COVID guidelines to ensure your child's safety.

Please send your response to <mailto:bursar@brookside.lancs.sch.uk> by the morning of **Wednesday 21st October** to give permission for your child to take part in the taste test.

Please could you also let us know if there are any changes to your child's medical requirements, or if they have a specific food allergy, thank you.

Yours sincerely

Mrs Fielding
Class Teacher
