Welcome Back! EDITION 15

A Fantastic Start for Year 7

We would like to congratulate and welcome all of our Year 7 students to Hawkley Hall High School. They have made an excellent start to secondary school life and have settled in perfectly. From their enthusiasm in lessons to their positive interactions with staff and peers, they have shown great maturity and confidence during their first few weeks.

Most importantly, our new students have consistently demonstrated the core values of our school, showing respect, responsibility, and a willingness to learn. We are incredibly proud of how well they have embraced life at Hawkley Hall and look forward to watching them grow and succeed.

This week we launched our Yondr pouches and the overwhelming feedback is positive. Thankyou to the parents who have contacted us letting us know that they feel their child is working better in school without the phone being a distraction. .

We have noticed a number of positive changes across the school environment. One of the most significant improvements has been the increase in student engagement during lessons.

We have also seen students engaging more with one another socially. It has been nice to observe increased face-to-face interaction during break and lunchtime periods. I have no doubt that this will help to strengthen peer relationships and communication skills.
