Open Evening and Open Mornings

Last week we welcomed hundreds of local year 5 and 6 students with their parents/carers for Open Evening and Open Morning. During the evening our Year 11 Prefects led tours while other students supported in department areas showcasing our amazing school. The feedback from the parents and carers who visited us was overwhelmingly positive. We also had several tours for our open mornings where we invited parents and carers into school to see it in action during our normal working day. Again, the feedback was extremely positive with our visitors recognising the fantastic classroom culture and focus in classrooms along with the calm atmosphere around the school. The whole event is a true testament to our fantastic students and staff.

This week our year 11 intervention sessions and our extra-curricular timetable of clubs was launched. Please see previous correspondence regarding what is on and what days. Following some parental feedback, you will see a section on this newsletter regarding upcoming events.

Thank you all for your ongoing support as we continue our journey as a school and community. As always, if you have any feedback regarding our lovely school, positive or areas to improve, or you would like to come for a tour of the school, please contact us on admin@hhhs.net
