The Year 10 map reproduces the lesson content in the KS4 Excel draft, including all six half terms. RSHE links are identified where the source content has a clear connection to the DfE guidance; careers content is not presented as direct statutory RSE coverage.

Locala Sexual Health provision — KS4 pupils receive two externally delivered RSE sexual health sessions, scheduled approximately in HT3 and HT4 during Core PE. Wigan Council identifies Locala as providing sexual health information, relationships and sex education for secondary school age. The local service provides support and information on contraception, STI testing and treatment, pregnancy testing/advice and relationships. These sessions therefore add specialist local-health-service input to the school RSE programme and provide signposting to appropriate confidential sexual health support. Publicly available information does not specify the exact lesson-by-lesson content of the school sessions, so the detailed session content should be confirmed with Locala.

DfE reference note: the statutory guidance does not assign official alphanumeric codes to these statements. The references above use paragraph 36 and its numbered curriculum statements under “Intimate and sexual relationships, including sexual health” (pp. 19–20).

Personal development / being safe — work experience, finding a role, employer contact, health and safety, conduct and consolidation.	Careers / personal development — career preferences, navigating careers, mapping a career path and consolidation.	Respectful relationships / inclusion and being safe — valuing diversity, Prevent and extremism. Links to respect, equality, challenging prejudice and recognising risks; this is not presented as a substitute for dedicated RSE teaching.	Health education / managing influence and risk — risk-taking, influences, drugs and alcohol. Links to decision-making, reducing harm and seeking reliable support.	RSE / respectful relationships — healthy relationships, consent and misogyny. Locala Sexual Health Session 1 is scheduled approximately in HT3 during Core PE; Session 2 approximately in HT4 during Core PE. See the DfE references in the lesson cells.	Careers / personal development / being safe — work-experience preparation and checks, placement, reflection, and preparing for Year 11 through GCSE revision and balance.
