

Maximising our Potential

15th September 2026

Dear Parent/Carer,

As part of our Year 6 into Year 7 transition programme, we have arranged for your child to take part in our 'Kirkby High School Challenge Day' with their form class and form tutor. Throughout the day, your child will take part in activities that have been designed to improve their communication skills, teamwork and develop their compassion for others.

The day will involve three sessions with staff from Kirkby High School. They will participate in a forest school lesson, team building activities and a reflective circle time session. Your child's form tutor will be with them all day and this will be a great opportunity for them to get to know their tutor and form class.

The details of your child's challenge day are outlined below. It is important that your child be in school and on time to benefit from this amazing opportunity. **All activities will take place at Kirkby High School.**

Your child should attend school wearing suitable outdoor clothing, including long trousers and trainers that you and they do not mind getting dirty. They will also need to bring the following items in a suitable bag:

- Bottle of water to keep hydrated (they can refill throughout the day)
- Any medication that they may require (inhalers etc)
- Waterproof jacket/coat in case of wet weather

Should you or your child require any further information regarding this experience, please do not hesitate to communicate with their form tutor, myself or Mrs Ellis.

Yours faithfully,
