

The Creature

8 Billy wrinkled his nose and then covered it.
16 Something smelt like sour milk. He saw a
25 head shaped like an egg pop out from behind
33 a large rock. A tiny creature had climbed
44 up it with the help of suckers on the ends of
53 its fingers. There were three toes on its feet
64 and it had legs as thin as sticks. A red dress
72 hung from its silver body. The single purple
81 eye in the middle of its head was shocking
89 at first but Billy knew this creature wouldn't
98 hurt him. They both raised their hands at the
103 same time and waved hello.

Questions

1. How many toes does the creature have?

2. Circle one word that tells you that the creature only had one eye.

The single purple eye in the middle of its head was shocking at first.

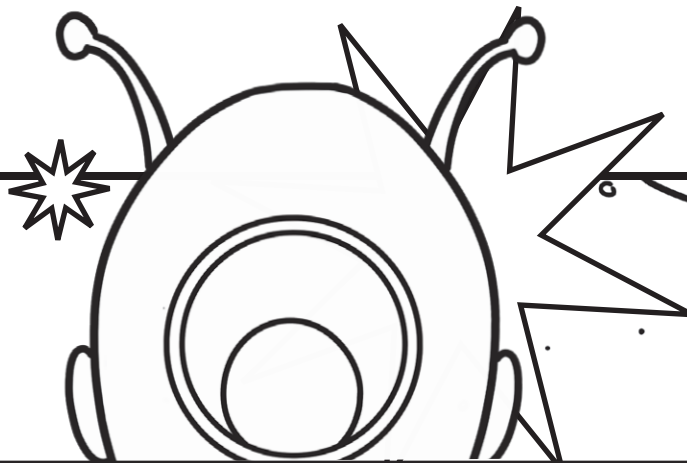

3. Does Billy like the smell?
Explain how you know.

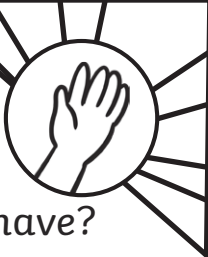

4. What do you think might happen next?
Explain why you think that.

Answers

1. How many toes does the creature have?
The creature has three toes.

2. Circle one word that tells you that the creature only had one eye.

The **single** purple eye in the middle of its head was shocking at first.

Award 1 mark for: single

3. Does Billy like the smell?
Explain how you know.

Pupils' own responses, such as: Billy doesn't like the smell. I know this because it says he 'wrinkled his nose and then covered it'.

4. What do you think might happen next?
Explain why you think that.

Pupils' own responses, such as: I think that Billy and the creature might become friends because they wave at each other and that is the first thing I do when I want to make a friend.
