

Year 6 Autumn

Science

Living Things and their Habitats

Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including animals, plants and micro-organisms

Give reasons for classifying plants and animals based on specific characteristics.

English

We will be using the book 'Rose Blanche' as our driver text throughout the autumn term.

In Autumn 1, we will be writing a contrast poem, a setting and atmosphere description, and a diary entry.

In Autumn 2, we will be writing practising writing formally, leading up to writing our own bravery award speech.
