Reading Intent

We pride ourselves in celebrating a love of reading throughout Moss Hey from the moment the pupils arrive until the moment they leave.

We have a focus on learning to read and then reading to learn.

We understand the importance of reading for practise, purpose and pleasure.

Retrieval

A simple line drawing of a magnifying glass with a circular lens and a wooden handle. The handle is brown with a grey band near the lens. The entire illustration is enclosed within a black rectangular border.

Inference

feelings

thoughts

motives

Summarising

A simple line drawing of a right hand, palm facing forward, with all five fingers spread wide. The hand is colored in a light skin tone. It is positioned centrally below the 'Summarising' heading and above the 'Remembering' heading.

Prediction

A purple crystal ball with a brown base, surrounded by four white stars, representing a prediction.

Commentating

Authorial choice

A graphic of four interlocking puzzle pieces. The pieces are colored orange, green, blue, and purple. They are arranged in a 2x2 square, with the orange piece at the top left, the green piece at the top right, the blue piece at the bottom left, and the purple piece at the bottom right. The pieces are interlocking, with the orange piece fitting into the green piece, the green piece fitting into the purple piece, the purple piece fitting into the blue piece, and the blue piece fitting into the orange piece.
