WHAT'S YOUR NEXT ADVENTURE?

What is something you've always wanted to learn?

What is Children's University?

Children's University rewards you for learning beyond the classroom.

You choose what to learn about and follow your interests whilst earning points!

Watch this video to find out more!

Learning Happens Everywhere

Children's University takes place whenever you are participating in an **extra-curricular** activity which takes place within school either before and after lessons and during lunch. It can also be outside of school at clubs and organisations you visit including at weekends and holidays, and even activities you do at home.

Would it count?

UNIVERSITY

You only needs to earn ONE certificate during the year to be invited to the annual CU graduation ceremony held at Doncaster College & University Centre.

Just like an adult University graduation, you wear a mortar board cap and gown and are presented with a special graduation certificate. Families, friends and teachers are invited, and we try to make it as memorable as we can with talks from guest speakers and performances where possible!
