Personal Development

Year 2 Temp Visit

This week, Year 2 visited the Temp to see the community garden. We learnt about planting, different types of plants and how to make compost.

We planted different vegetables into our very own planter and harvested some potatoes! We were able to put all of our learning into practice!

We had a wonderful time!!

Excellence: everyone, everywhere, every day.

Year 2 Music Concert

This week, our Year 2 children wowed us with their fantastic music performance. They confidently played the recorder and sang a selection of songs, showcasing the amazing skills they have worked so hard on throughout the year.

They showed excellence throughout, performing with confidence, enthusiasm and dedication. We are so proud of them!

Water Safety Talk

KS1 and KS2 had a visit from The Canal and River Trust to talk about how to stay safe in and around water.

They talked about different ways to stay safe especially during the summer when we might be on holiday by the sea or rivers. Helen gave us lots of tips that we can use.

Excellence: everyone, everywhere, every day.

2026/2027 Pupil Leadership Teams

Well done to all the children who applied for a pupil leadership role this year. We were truly impressed by the number of applications. After much careful consideration, we are excited to announce the successful applicants.

A huge congratulations to our Pupil Leaders of 2026!

We look forward to seeing the positive impact you will make in your new roles.

School Games Platinum Award

We are delighted to announce that we have once again been awarded the School Games Platinum Mark, making this our seventh consecutive year of achieving this prestigious award.

This fantastic achievement is a testament to the enthusiasm, determination and sporting spirit shown by the children throughout the year. Whether representing the school in competitions, taking part in festivals or giving their best in PE lessons and lunchtime activities, our children continue to demonstrate excellent teamwork, resilience and respect.

A huge thank you also goes to our dedicated staff for providing such a wide range of sporting opportunities and to our parents and carers for their ongoing encouragement, support and commitment. Your help with transport, attending events and cheering on our teams makes a real difference.

We are incredibly proud of this achievement and look forward to building on our success in the year ahead.

Excellence: everyone, everywhere, every day.

Hyrox Sessions

Years 4, 5 and 6 have been enjoying Hydrox lessons with endurance and performance PT Lucas Parker, combining running with fitness challenges to build strength, endurance and teamwork.

It has been great to see everyone showing enthusiasm, determination and resilience throughout the sessions.

Excellence: everyone, everywhere, every day.

Y5/6 Netball

Thank you to everyone who has attended Mrs Prior's netball club this year, but especially captains Georgia, Millie and the rest of the team. Club practice will begin again in September for Year 5 and 6. We're a competitive but fun club with the ultimate goal to improve netball and win the primary league. Ashdene have won the last two years, so we want to keep this momentum going!

Please encourage your son or daughter if they would like to join us in September.

Have a good summer everyone!

Miss Prior

Bookings for teacher-led clubs will open at 7pm on Tuesday 1st September to allow the booking system to update with the new year groups. Places are allocated on a first come, first served basis.

Please note that teacher-led clubs do not run during the first or last week of each half term.

How can we travel while protecting nature?

In the news this week

People living in remote parts of the Amazon rainforest in Ecuador are using solar-powered canoes to travel along rivers. The boats use energy from the Sun instead of petrol, making journeys quieter and creating less pollution. The project is helping people travel while protecting the rainforest and has inspired other communities in the Amazon to try similar ideas.

Things to talk about at home ...

- > How do you usually travel to school, work, or the shops? Why do you or the adults you travel with choose those ways?
- > Can you think of any journeys that could be different to help protect nature?
- > If you could invent a new way to travel that was kinder to the planet, what would it be like?
