States of matter (water cycle only) Outdoor learning - Water cycle investigation - puddles evaporating.	 Electricity Y4
Computing (Teach Computing Curriculum scheme of work)	Teach Computing Curriculum Word processing skills and Teach Computing Curriculum 3.3 Sequencing Sounds (Programming) In these lessons children will use Microsoft Word and then Scratch	Teach Computing Curriculum Unit 3.4 - Branching databases (Data and Information) In these lessons children will use j2e.com online resources	Teach Computing Curriculum Unit 4.6 - Repetition in games (Programming) In these lessons children will use Scratch	Teach Computing Curriculum Unit 4.2 - Audio editing (Creating Media) In these lessons children will use Audacity	Teach Computing Curriculum Unit 4.5 - Photo editing (Creating Media) In these lessons children will use paint.net then shadow puppet	Teach Computing Curriculum Unit 4.4- Data logging (Data and Information) In these lessons children will be using Microsoft Excel/ Data loggers or Google science journal Outdoor learning - Data loggers

Online safety	Teach Computing Curriculum: The unit overviews for each unit show the links between the content of the lessons and the national curriculum and <i>Education for a Connected World framework</i>. These references have been provided to show where aspects relating to online safety, or digital citizenship, are covered within the Teach Computing Curriculum. Not all of the objectives in the Education for a Connected World framework are covered in the Teach Computing Curriculum, as some are better suited to personal, social, health, and economic (PSHE) education; spiritual, moral, social, and cultural (SMSC) development; and citizenship - <i>please refer to these subjects individually for further information about online safety.</i>					
					Education for a Connected World framework: Copyright and ownership	Education for a Connected World framework: Self-image and identity Copyright and ownership Be Internet Legends scheme of work
Art and design (Kapow combined scheme of work)	Kapow Y4 Craft and design: Fabric of nature	Kapow Y4 Drawing: Power prints	Design and technology focus this half term	Design and technology focus this half term	Kapow Y4 Painting and mixed media: Light and dark	Design and technology focus this half term
Design and Technology (Kapow combined scheme of work)	Art focus this half term	Art focus this half term	Kapow Y4 Cooking and nutrition: Adapting a recipe (Healthy and varied diet (linking cooking and nutrition requirements for KS2) Links to Mexican food.	Kapow Y4 Pavilions shell structures (including computer aided design)	Art focus this half term.	Kapow Y4 Electrical systems: Torches - simple circuits and switches (including programming and control)
