Home learning Expectations

- Home learning is extremely important.
- The children in Year 5 have had a disrupted Year 2 and Year 3 and the children in Year 6 have had a disrupted Year 3 and Year 4. As we are aware, because of the disruptions, the children have missed out on vital education and home learning is something that is very important to close any learning gaps! Every child in KS2 has been given an iPad so they can access their learning at home.
- Please support us with this. Home learning will be set by the class teacher weekly. This may be in the form of Purple Mash, TT Rock Stars, MyOn or being set as a project.
- Please also read with your child for at least **10 minutes** a day. They will take home a school library book, that is based on their Accelerated Reader age, daily and can also access their MyON log in to read a book online.
