Music – talk to your child about your favourite song. Listen to songs together. Which songs do you like as a family? Enjoy singing together.

Why don't you try...

## Greenhill News

This week, we explored the theme of **belonging**, focusing on celebrating diversity and inclusion in emotional experiences and needs. Our activities have encouraged children to recognise and respect differences, share feelings, and understand that everyone's emotions matter. These discussions help build empathy and a strong sense of community within our Academy.

As we look forward to our upcoming **Pantomime trip**, please ensure permission has been granted via parent pay along with payment. Without contributions, trips can not continue to go ahead. It's also important that children attend regularly and arrive on time so they can fully participate in all activities. If your child will be absent, please notify us as early as possible following the usual procedure. Thank you for your continued support in helping us create a positive and inclusive environment!
