

# Greenhill Newsletter

Why not see what recyclable packaging you can find around your home and create something that links to one of your topics?

Why don't you try...

## Greenhill News

It has been a wonderful return after the winter break, and it has been great to see all the children back at school with such positive energy.

Thank you to families for your cooperation during the recent weather and for supporting the safety measures that helped everyone arrive safely.

This week, the children have been talking about “helping hands” and reflecting on how they can help in school and contribute positively to the wider community.

## Reminders

Please continue to look at the information on the school spider. This will state daily changes and any events.

## Whole School Attendance
