PSHE

Mental Health Week will be here in February, we're reminded how important it is to care for your own wellbeing as well as your child's. Parenting can be challenging, so taking small moments to rest, talk, or ask for support really matters. Looking after yourself helps create a happier, healthier family.

Why don't you try... a morning meditation?

Greenhill News

This week has been busy for our KS2 children. Year 6 thoroughly enjoyed their trip to Robinwood, they all had an amazing time. Whilst the rest of KS2 enjoyed a live production of Hansel and Gretel by Oldham Theatre Workshop as part of our Pledge and experiencing being a performer.

We've recently become aware of some unkind messages on social media mentioning staff at Greenhill. We know that everyone wants the very best for our children, and we want to remind our community of the importance of kindness and respect. If any parent has a concern about school, they should use our complaints policy.

At Greenhill, our **Harmony Values** – kindness, respect, and working together – guide everything we do. These values help us make school a safe and happy place for everyone, not only for our children but for our staff too. As parents and carers, we have a big influence on our children. The way we speak and act, both in person and online, sets an example for them about how to treat others. By showing kindness and respect, we teach them the skills they need to build positive relationships.

Thank you for helping us keep Greenhill a place where everyone feels valued and safe.

Together, we can make a real difference.

Reminders – Please continue to use the school spider for information. Contact the office if you are having trouble logging in.
