

Friday 27<sup>th</sup> March 2026

Dear Parents and Carers,

This Spring term has been an exciting and vibrant time of learning for all our pupils. Classrooms have been buzzing with curiosity, new challenges, and plenty of hands-on experiences. We ended the term with a fantastic STEM Week, where children showcased their creativity, problem-solving skills, and imagination through a range of science, technology, engineering, and maths activities. It has truly been a joyful and inspiring term!

### **School holiday**

School will close today for a holiday. We re-open on **Monday 13<sup>th</sup> April 2026 at 8:30am for breakfast.**

### **Nursery and Pre school for September 2026**

If you have a child who was born between 1 September 2022 and 31 August 2023 and you would like them to start Nursery in September 2026, please call into the office to enquire about a place. Greenhill also offers preschool places for eligible 2-year-olds. If your child was born between 1 September 2023 and 31 August 2024 and meets the funding criteria, please speak to the office for more information or to enquire about availability.

### **Goodbye and Goodluck**

This term we will say goodbye and good luck to Mr Rose, who will be leaving Greenhill to begin his new adventure working for Manchester United School outreach program. We wish him all the best. Miss Yasin will be teaching Class 7 until the end of the year.

### **Home Learning**

Please help your child to carry on learning over the holidays by listening to them read as much as possible. In addition, they can access Purple Mash, SumDog, TTRockstars and MyOn online throughout the holiday.

### **Attendance**

Our current whole school attendance is below where we would currently like it to be. Our target for this academic year is 96%. **School attendance everyday really does count.** During the summer term can you ensure your child attends school every day, on time and ready to learn.

Did you know that pupils who attend school regularly in the **early primary years** are far more likely to **develop strong reading and maths skills by Year 6?** Even missing just a couple of days each month can interrupt routines, make it harder for children to build confidence, and affect social skills like sharing, teamwork, and making friends. Good habits built in primary school set the foundation for success throughout their entire education.

Breakfast is available for EVERY child from 8.30am each morning and early morning activities including individual support, help your child with their learning and take place from 8:45am each morning.

**Thank you to all our pupils, staff, and parents for their hard work and dedication this term.**

**We continue to be an excellent team, working together to ensure our children receive the very best education. I am incredibly proud of everyone's achievements and the many successes we have celebrated.**

**As we come to the end of the term, I would like to take this opportunity to wish everyone a peaceful Spring break and a very Happy Easter for families that are celebrating. May it be a time of rest, joy, and new beginnings**

Kind Regards,

*C Glynn*
