Remember the importance of keeping safe when using the Internet. Have a discussion with your child and ask them to create a poster explaining the importance of online safety.

Why don't you try...

Greenhill News

During our assembly this week, the children have been exploring the idea of a growth mindset. They have been learning how important it is to keep trying, even when something feels difficult, and to understand that mistakes are a valuable part of learning. It has been fantastic to see pupils beginning to use this language in their classrooms, showing resilience and a positive attitude towards challenges.

In addition, the children have been introduced to some basic sign language. They are now able to recognise and sign the colours red, blue, and green. This has been a fun and engaging way to promote communication skills and inclusivity across the school.

Reminders

School is closed Monday 4th May. Have a lovely day doing something nice with your child.
