

Years 3/4 Autumn 1.2

Go to our website for more exciting updates.

WELCOME BACK MESSAGE:

Wow - we are already entering our second half term. The children have settled so well into Lower Key Stage 2, and we are super impressed with the positive attitudes towards their learning. We have our first parents evening coming up soon - so watch out for time slots.

Our Topic this half term: Stones N Bones

The topic will have a History focus with elements of other subjects included to connect the children's learning. We will find out about this period of history in time and use timelines to order events. We will find out about life in these times and how prehistoric people lived, and we will discover the 3 periods included in the Stone Age

English:

We are going to be reading Cave Baby, Stone Age Boy and How to wash a woolly mammoth. After sharing these texts, we are going to write a setting description, a retell and a set of instructions. We will also write a non chronological report in History using all our knowledge about the Stone Age

Maths

This half term we will be looking at place value, multiplication and division, money and statistics. We place additional focus on learning our times tables facts. Please encourage your child to learn and revise them using TTRockstars.

Overview of other subjects :

SCIENCE - Nutrition and Diet

ART - Cave Paintings

PSHE - Physical and Mental Health

RE - Where do I belong?

PE - Hand eye coordination

COMPUTING - Online safety and Branching databases

Things to remember :

Homework is given out on a Friday and it needs to be completed and returned by the following Wednesday.

Swimming: Year 4s will go swimming every Thursday.

This will replace their PE lesson, and they must come to school in full uniform
