

Years 3/4 Spring 2.1

Go to our website for more exciting updates.

WELCOME BACK MESSAGE:

Happy New Year and let's have a super 2026. We will be sending home our homework rubrics with this newsletter. Please encourage your child to complete the homework over the next half term and bring it into school to show us

Our Topic this half term: Eurovision

The topic will have a Geography focus with elements of other subjects included to connect the children's learning. We will find out about the continent of Europe and locate it on a world map. We will label the countries in Europe and their capital cities and any famous landmarks. We will also look at human and physical features and think about why people would want to live in European cities.

English:

We are going to be reading extracts from Beauty and the Beast and the text The last stop on Market Street. We are going to write a setting description; an alternative retell and a non chronological report about Europe. We will also make a holiday brochure about a European capital city we would like to visit

Maths

This half term we will be looking at addition, subtraction, length and perimeter and fractions. We place additional focus on learning our times tables facts. Please encourage your child to learn and revise them using TTrackstars.

Overview of other subjects :

SCIENCE - Electricity
ART - Printing/Steady Hand Games
PSHE - Resilience and keeping safe
RE - How do ancient civilisations influence our celebrations?
PE - Gymnastics
COMPUTING - Coding

Things to remember :

Homework is given out on a Friday and it needs to be completed and returned by the following Wednesday.

Swimming: Year 4s will go swimming every Thursday.

This will replace their PE lesson, and they must come to school in full uniform
