

A message from the team

Welcome to our Autumn 1 curriculum newsletter! We are so proud of how well the children have already shown fantastic enthusiasm for their learning. This term, we will be exploring the wonderful topic of **Unique and wonderful me**, developing our understanding of ourselves, our families, our communities and the things that make us special.

If you have any questions about your child's learning, please do get in touch.

Our current learning

English

In English, children will develop their communication, reading and writing skills at their individual level. Learning will focus on their personalised PIVATS targets and will be adapted to support progress and independence.

Maths

In Maths, children will develop their mathematical skills through practical and meaningful activities. Learning will be linked to their personalised PIVATS targets, with opportunities to practise and apply skills in different contexts.

History

Our topic this term is Unique and Wonderful Me. Children will explore what makes them unique, including their interests, strengths, emotions, relationships and the important people in their life. Learning will promote self-awareness, confidence, communication and a sense of belonging.

Individual learning goals

Throughout the term, Children will also work towards individual targets linked to their identified areas of need. These skills will be practised across different activities and environments to help them make meaningful progress.

Key messages

- ✓ Please provide spare clothing for your child.
- ✓ Please provide a warm, suitable coat (waterproofs are provided in school).
- ✓ Please provide wellies (labelled).
- ✓ Firestone PE – Tuesday.
- ✓ Moonstone PE – Thursday.

Home Learning

There are lots of ways you can support learning at home...

- ✓ You can support your child by practising their individual targets through everyday activities such as sharing books, counting, making choices, talking about feelings and developing independence.
