Our current learning

English

All About Me

We are settling into our new environment and learning all about ourselves. We will listen to stories and talk about how unique and special everyone is. Some key texts include, Super Duper You, In My Heart and Homes.

Maths

Matching, Sorting and Pattern

This half term we will learn skills such as matching, sorting objects into groups, recognising patterns and making our own. Alongside this, we will start our counting champions which is a weekly session based on number counting.

Wider Curriculum

All About Me

Through our continuous provision, children will explore and celebrate the similarities and differences that make us unique. They will create portraits using a range of materials, including playdough, drawing and loose parts, while developing confidence in sharing all about themselves and their families with their classmates.
