Autumn Term 2022

Autumn Term Topic

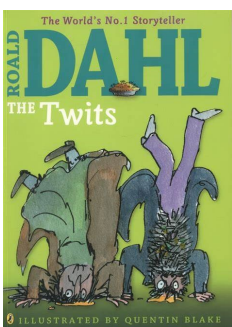

Location, Location, Location!

We are learning about...

The geography of our local area, as well as looking at Great Britain and Europe and using atlases, maps and grid references.

Why not...

Take a walk around your local area to
See what you can see! Are there houses?
Shops? Parks?

English

We will be reading and writing about 'The Twits' and 'The Enormous Crocodile' by the great British author, Roald Dahl. We will look at different sentence types, adjectives and conjunctives to write amazing alternative retells!

Maths

We will be looking at number and place value, before adding and subtracting using the semi-formal methods. In Year 3, we learn the 3, 4 and 8 times tables and will start with the 4s—can you be a TT Rockstar to learn them over Summer?

Reading

Reading is an extremely important part of the curriculum. Ensure that your child brings their book bag to school everyday. Please read with your child at least **3 times a week** and write in your child's reading record so that they can make great progress and can become a Reading Champion at the end of the half term.

Swimming

In Year 3, in line with national curriculum requirements, children are taken to Oldham Leisure Centre to learn to swim once a week in addition to their weekly outdoor P.E. lesson. One class will go once a week from Autumn to Spring, with the other attending Spring to Summer.
