

# Y6 Newsletter

Autumn Term - 2024 Cohort

**Our topic for next term will be Peace for our time...?**

**We will be learning about...**

The pupils in Year 6 will be learning all about life in World War Two. From what it was like for the soldiers, to generals, to the women and children left at home.

**During the summer holidays, why not...**

- ...visit your local library and read about The Blitz?
- ...create a drawing of a fighter jet?
- ...find out about the living conditions for soldiers?
- ...discover what food was available during the war (lots of things were hard to get hold of!)?
- ...OR anything you can think of!

## English

In English, we will be using World War Two to inspire our writing - thinking about what life was like for the people of Britain, especially children who were forced to evacuate their homes!

## Maths

In Year 6, we learn about a wide range of mathematical concepts, some of which you will have learnt before and some of which are entirely new!

To hit the ground running, it is so important that all children know their times tables off by heart. You need to know your tables up to 12x12 and you can use Times Tables Rock Stars to help you little and often throughout the summer. We will be working on place value and then our arithmetic skills in September.

## Summer FUN challenge!

Why not give this a go? Show us your completed grid in September for guaranteed table points!

1 go on a bike ride	2 eat ice pops	3 walk downtown	4 put together a puzzle	5 catch fireflies
6 VISIT A FARM	7 grow flowers	8 blow bubbles	9 MAKE SHAVED ICE	10 drink lemonade
11 go swimming	12 make sock puppets	13 go hiking	14 read in the sun	15 make a life-size chalk drawing

## Applying for a secondary school place

We know you're only just starting Year 6, but you need to be thinking about the secondary school you would like to attend when you leave Northmoor. The application system is online through Oldham Council and opens on 1st August and the sooner you can get it completed, the better! If your parents/carers need any help, let us know as we have a guide that they can follow step-by-step.
