Spring Term 2026

## Spring Term Topic - Modern Tales—Julia Donaldson

### We will be learning

**about...** the different characters and stories from the author Julia Donaldson.

**Why not...** share some story books at home and talk about the different characters. Who is your favourite character?

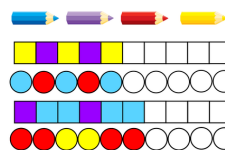

### English

We will be reading stories such as 'The Gruffalo and Room on the Broom.'

We will be writing about the stories and their characters.

### Maths

We will be ordering by length, learning to add, ordering numbers, learning to subitise, making repeating patterns. And learning our number bonds to 10.

### Christmas challenge

Can you take some photos and upload them to Tapestry to show us your learning over the holidays?

### Special Events and Dates for your diary:

**Back to school**  
**Monday 5th January 2026**
