Mrs. Coleman's News

End of year Parent's Evenings will be taking place on Monday 10th July to Thursday 13th July. Please ensure you have arranged a time to meet with your child's class teacher via School Spider. This is a very important opportunity to discuss their progress and ways you can support your child's learning at home, over the summer holiday. During the meeting you will receive and can discuss your child's annual school report.

Attendance

Digital Stars

Our attendance target is **96%**
Our whole school attendance total to date is **92%**

**SCHOOL ATTENDANCE &
PUNCTUALITY
EVERY DAY COUNTS**

A huge well done to our Year 4 children who have recently taken their Multiplication Tables Check. TT Rockstars has been used very well by the children to build on their work in class. We are very proud of their dedication!

Word of the Week

This week we have been busy discussing the word 'Aspirational' and what we can do to support ourselves and each other to achieve our goals and aspirations. We all agreed to 'Believe, Achieve, Succeed!'

Ms. Beesley Says...

Clubs

Please remember that next week is the final week for children to attend their after-school clubs. We will then review our offer and clubs will restart in September.

Online Safety

Finally, a gentle reminder to monitor your children's online activity, monitoring the devices, apps, websites and games that they are accessing and ensuring that they are age-appropriate. There will be further guidance on this in September. Thank you for your continued support.

What's been happening this week?

Nursery

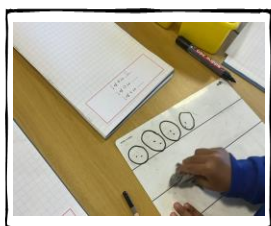

This week in Nursery we have been reading 'Mad about Minibeasts'. We have been thinking about our favourite creepy crawly! In Maths we have been counting and labelling groups.

Reception

In Reception this week we have been reading the book 'Deep Sea Dive'. We thought about if we were divers what sea creatures we would see. We were very excited when Mrs Heywood brought in her baby turtle for us to look at and hold. In Maths we have been using a number line to work out the answers to some tricky word problems.

Year 1

This week, Year 1 have been looking at fractions in maths! We have been focusing on quarters of shapes and amounts. We have also been describing the inside and outside of a castle in our English lessons.

Year 2

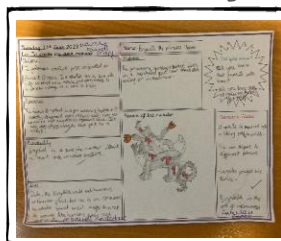

This week in maths Year 2 have been increasing our knowledge of division. We have looked at grouping amounts and using the inverse. TT rockstars has been a great help to embed the understanding. In English we have been writing an information text about seaside holidays from the past. In science we continue our learning about plants.

Year 3

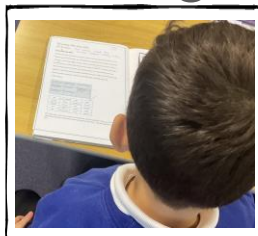

This week, we have been finishing our letter all the way from the River Nile! We wrote wonderful letters about all the things we have seen and done on our cruise. In our maths, we have been fabulous with fractions, looking at fractions of amounts. Help us keep practising at home!

Year 4

In Year 4 this week we have been creating our own terrifying monsters for Beowulf to fight. The children have been working on developing their measurement skills too; looking at capacity and mass.

Year 5

This week year five have been writing an explanation text on how to create a monster. We have also explored conversion between decimals, fractions and percentages in maths – it has been great fun. Why don't you ask us to tell you about our learning this week.

Year 6

This week, we have been creating an excel document to log all the ice pops we have been selling for our business enterprise. We then created a line graph to track the sales each day.

Stars of the Week

Reception Ruby – Jack for always trying so hard with his writing!

Year 1 Sapphire – Milan for always trying his hardest.

Year 1 Jade – Anaabia for excellent independent work this week!

Year 2 Pearl – Andrei for super progress with his reading, keep it up Andrei!

Year 2 Topaz – Maahir for excellent work on divisions!

Year 3 Coral – Sofia for always striving to stay focused and be the best she can be!

Year 3/4 Garnet – Maria for being a shining star!

Year 4 Amethyst – Eluciea for a fantastic solo performance in brass.

Year 4 Citrine – Precious for her positive attitude and effort in writing.

Year 5 Jet – Tyson for a much-improved attitude to his learning

Year 5 Zircon – Sofia for a wonderful presentation on the Victorians.

Year 5/6 Tourmaline – Daniel for his lovely manners!

Year 6 Onyx – Tyler for massive improvement and resilience with his spellings!

Year 6 Aquamarine – Justin for amazing work on his times tables.
