Coffee Morning

We warmly invite you to join us for a **Coffee Morning on Thursday 27th November at 9:00am**

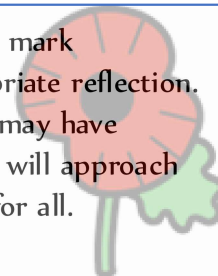

This will be a relaxed and friendly opportunity to:

- Connect with other parents
- Enjoy a hot drink and a chat
- **Meet our School Mental Health Practitioner**, who will be available to introduce their role and share how they support the wellbeing of our pupils.

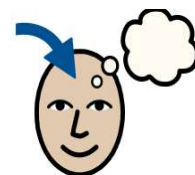

Remembrance Day

On Tuesday 11th November, we will mark Remembrance Day with age-appropriate reflection. We are mindful that some families may have experienced recent conflict, and we will approach the day with care and compassion for all.

This week in school we have been learning...

EYFS

Nursery

This week in Nursery we have celebrating our different cultures and backgrounds. We enjoyed taking part in activities with our parents.

Opal & Reception

This week we enjoyed taking part in activities that showed how unique we are. We took part in different craft activities with our parents.

Key Stage One

Ruby

Ruby class have had an exciting week. Our parents joined us as we talked about how unique we are.

Topaz

We have really enjoyed curriculum week this week and loved having our parents come in and join in with the different activities.

Pearl

We loved seeing our parents in school completing themed crafts with us.

Lower Key Stage Two

Coral

After the half-term break, Year 3 have returned to the pool with enthusiasm and determination. Their progress has been fantastic — many pupils are now swimming independently without floats and growing in confidence with every session. Well done, Year 3!

Garnet

As part of curriculum week our parents came to work with us on a recipe which shows how unique we are.

Amethyst

We have been enjoying Curriculum Week and thinking about what makes us unique. We have created an artistic patchwork superhero cape of the things that make us special and we wrote our own acrostic poems about our individuality.

Upper Key Stage Two

Jet & Zircon

Year 5 researched information about the Blitz and created these fantastic posters.

Aquamarine & Onyx

This week Year 6 have enjoyed creating posters all about The Blitz. We split into groups to research each section of our Non-Chronological Report that we will be writing next week! We have also enjoyed exploring our cultures, religious, hobbies and interests during our curriculum week afternoons. We completed graphs to show the different languages we speak, used drama to interview our peers on what makes them unique, had a fantastic afternoon with some of our parents designing our own family crests and on Friday we have written 'Guess Who?' poems about ourselves! What a wonderful first week back!
