Friday 3rd October 2025

Ms Beesley's News

This week in assembly, we celebrated **diversity**—one of the most special and valued aspects of our school community.

At Northmoor, one of my favourite things is the **delightful diversity** of our children, families, and staff. We are incredibly proud to be a school where different cultures, backgrounds, and experiences come together to create a rich and inclusive environment. It's this diversity that makes Northmoor such a vibrant and welcoming place to learn and grow.

Looking ahead, **after the half-term break**, we're excited to invite parents and carers to take part in a series of events that will celebrate the wonderful diversity within our school.

Believe, Achieve, Succeed Award

Opal Class	Amyrah for super counting in Maths.
Ruby Class	Inaya for her lovely drawing of herself as she wants to be a dancer when she grows up.
Topaz Class	Ariel for super imaginative role play in the bakery.
Pearl Class	Keaton for a super start to Northmoor.
Coral Class	Zakriya for showing his bravery in swimming and trying so hard with everything he does!
Garnet Class	Harim for not giving up when she found her work hard
Amethyst Class	Anaabia for always working hard, wanting to be the best she can be and setting a wonderful example for the rest of the class.
Zircon Class	Zainab for a consistently great attitude to learning.
Jet Class	Vika for her wonderful attitude towards her learning.
Aquamarine Class	Marley for settling well into a new school environment.
Onyx Class	Eshaal for being kind, accepting and patient to all!

Online Safety

Please take a moment to **check the apps, websites, and content your child is using**. **Regular supervision** helps ensure they're engaging with **safe, age-appropriate** material and supports healthy digital habits.

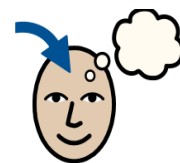

We kindly ask that children do not bring bikes or scooters to school.

Unfortunately, bikes and scooters can pose safety risks in busy areas and create storage and supervision challenges during school hours.

This week in school we have been learning...

EYFS

Nursery

This week in Nursery have been enjoying 'Peace at Last'.
The children have made lanterns thinking about night and day.

Opal & Reception

In Reception this week we have been thinking about our favourite foods and drawing and writing about them. In Maths we have been identifying numbers and counting objects.

Key Stage One

Ruby

Ruby class have been thinking about the jobs we would like to do when we grow up.

Topaz

This week in in Maths we have been learning to subtract using the whole part method.

Pearl

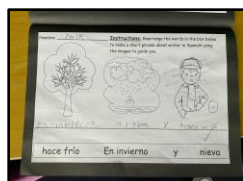

This week we went on a local area walk as part of our geography topic

Lower Key Stage Two

Coral

This week Coral class have been working on what happens in winter and how to say and write short sentences.

Garnet

This week we used props to remind us of the steps taken to defeat Medusa.

Amethyst

This week we have been writing instructions on 'How to Kill a Gorgon' in groups we acted out how this would look, what we would need and complete the mission.

Upper Key Stage Two

Jet & Zircon

This week, Year 5 have been working hard on writing a balanced argument about evacuation during World War II.
In History, we've been exploring the WW2 timeline and examining key events that shaped the period.

Aquamarine & Onyx

This week, Year 6 have been writing balanced arguments about evacuation. Why don't you ask your child whether they would have cooperated with Operation Pied Piper in WW2?
In Science, we have been exploring electrical circuits and the effect voltage has on a bulb!
