

Principal's News

Dear Parents,

It is the end of another successful year at Northmoor Academy, we continue to go from strength to strength. Throughout this year, the children have made us immensely proud in their learning and their positive attitudes.

Excellent Results

Children in every year group at Northmoor have made good progress in their learning and should feel proud of their many achievements. With such a diverse school community this is something that we can all celebrate. At Key Stage One and Two, the children worked incredibly hard, made remarkable progress and did incredibly well in their Statutory Tests.

Congratulations

Miss Campbell and Miss Dunn have been part of the Teach first Programme this year. I am delighted to say they both passed with 'flying colours' and will continue to teach in Year Three and Year Four next year.

Welcome

We look forward to welcoming Miss Moore who will be joining the Northmoor team and teaching in Year One in September. I am sure that the whole school community will be very welcoming and that our children will model how to 'be the best they can be.'

Year 6 Leavers

You have been an amazing Year Six, full of character and have always shown everyone your absolute best. Make sure you take all that you have learned from Northmoor with you as you embark on the next chapter of your learning journey and we know that you will all truly shine! #BelieveAchieveSucceed

Goodbye and Good Luck

This year we will say goodbye to Mrs. Koser and wish her lots of luck in her future career.

School Uniform

School uniform will now be available to purchase from an online based company and orders can be placed either online or over the phone. Please look out for an email in the coming days with further information about this process. All children are required to wear the correct uniform and sports kit on PE days. Please refer to the guide attached.

Breakfast Club

I am delighted to announce that Breakfast Club will reopen in September. From Monday 5th September, children are welcome to access breakfast club between 8:30 and 9:00a.m. each morning.

Remote Learning

Please encourage your child to continue their learning during the summer holiday by completing their summer reading challenge and tasks set on Purple Mash, MyOn and SumDog. Further information about the topics your child will be studying next year can be found on our school website.

And finally,

A huge thank you to children, staff and parents for all of their hard work and dedication. We are an excellent team who work together to ensure all children receive the very best education. I am immensely proud of the Northmoor Team who work tirelessly to ensure the best possible outcomes for each and every child.

Have a wonderful summer holiday. School re-opens to children on Monday 5th September from 8:30a.m.

Warm Regards,

Mrs. A. Coleman
Principal
