

# Westwood Academy Newsletter

Ms Wimperis says.. We have had a wonderful Spring term at Westwood Academy! The children have shown enthusiasm, kindness, and incredible growth in their learning, making this term truly special. From celebrating Children's Mental Health Week to exploring new topics with curiosity and creativity, they have made us all very proud. We hope everyone enjoys a restful break, and we look forward to welcoming the children back to school on Monday 23rd February for more exciting learning ahead!

## Children's Mental Health Week

The children have had a truly fabulous week celebrating Children's Mental Health Week!

They spent time exploring the theme "This Is My Place", thinking about the special people, spaces, and activities that help them feel happy, calm, and confident. Through art, storytelling, and teamwork, they learned that everyone's "place" can be different—and that each one is important.

It has been wonderful to see the children expressing themselves, supporting one another, and growing in their understanding of how to look after their own wellbeing.
