WHISTLEBLOWING POLICY

ABOUT THIS POLICY

We are committed to conducting our services with honesty and integrity and we expect all staff to maintain high standards. Any suspected wrongdoing should be reported as soon as possible.

This policy covers all employees, consultants, contractors, volunteers.

WHAT IS WHISTLEBLOWING?

Whistleblowing is the reporting of suspected wrongdoing or dangers in relation to our activities. This includes bribery, fraud or other criminal activity, miscarriages of justice, health and safety risks, damage to the environment and any breach of legal or professional obligations.

HOW TO RAISE A CONCERN

We hope that in many cases you will be able to raise any concerns with the head teacher. However, where you prefer not to raise it with your manager for any reason, you should contact the Chair of Governors.

A meeting will be held with you as soon as possible to discuss your concern. You may bring a colleague or union representative to any meetings under this policy. Your companion must respect the confidentiality of your disclosure and any subsequent investigation.

CONFIDENTIALITY

We hope that staff will feel able to voice whistleblowing concerns openly under this policy. Completely anonymous disclosures are difficult to investigate. If you want to raise your concern confidentially, we will make every effort to keep your identity secret and only reveal it where necessary to those involved in investigating your concern.

EXTERNAL DISCLOSURES

The aim of this policy is to provide an internal mechanism for reporting, investigating and remedying any wrongdoing in the workplace. In most cases you should not find it necessary to alert anyone externally.

The law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body such as a regulator. We strongly encourage you to seek advice before reporting a concern to anyone external. Public Concern at Work operates a confidential helpline.

PROTECTION AND SUPPORT FOR WHISTLEBLOWERS

We aim to encourage openness and will support whistleblowers who raise genuine concerns under this policy, even if they turn out to be mistaken.

Whistleblowers must not suffer any detrimental treatment as a result of raising a genuine concern. If you believe that you have suffered any such treatment, you should inform either the head teacher or the Chair of Governors immediately. If the matter is not remedied you should raise it formally.

You must not threaten or retaliate against whistleblowers in any way. If you are involved in such conduct you may be subject to disciplinary action.

However, if we conclude that a whistleblower has made false allegations maliciously or with a view to personal gain, the whistleblower may be subject to disciplinary action.
